Dear Ida,

Well, this year & knowing you has been quite an experience for me, and I'm sure you knowing me has been equally great experience (only kidding) I love you because you are a doll. Funny & loud but you always mean well. Anything you say does not offend anyone & you a great classmate. I know you have gotten in trouble a lot this year but it isn't really as bad as you think. You have saved someone & got in trouble yourself because of it. I think that is the greatest thing, if the person doesn't appreciate Ida. Its been fun & games knowing you & we should get closer this year. Serve your hours with a smile & watch that diet we are both on. No trouble next year we said we would make the honor roll both semesters (be good) another warning.

ENGLISH

Maximum cooperation and intensive teaching helped to give all Niles West freshmen similar training and background in English skills. Seniors had the opportunity for greater variety in the new team teaching units. In this program, teachers exchanged classes, and as a result, were allowed to concentrate on particular areas. Students were exposed to different personalities, teaching techniques, and a variety of insights.

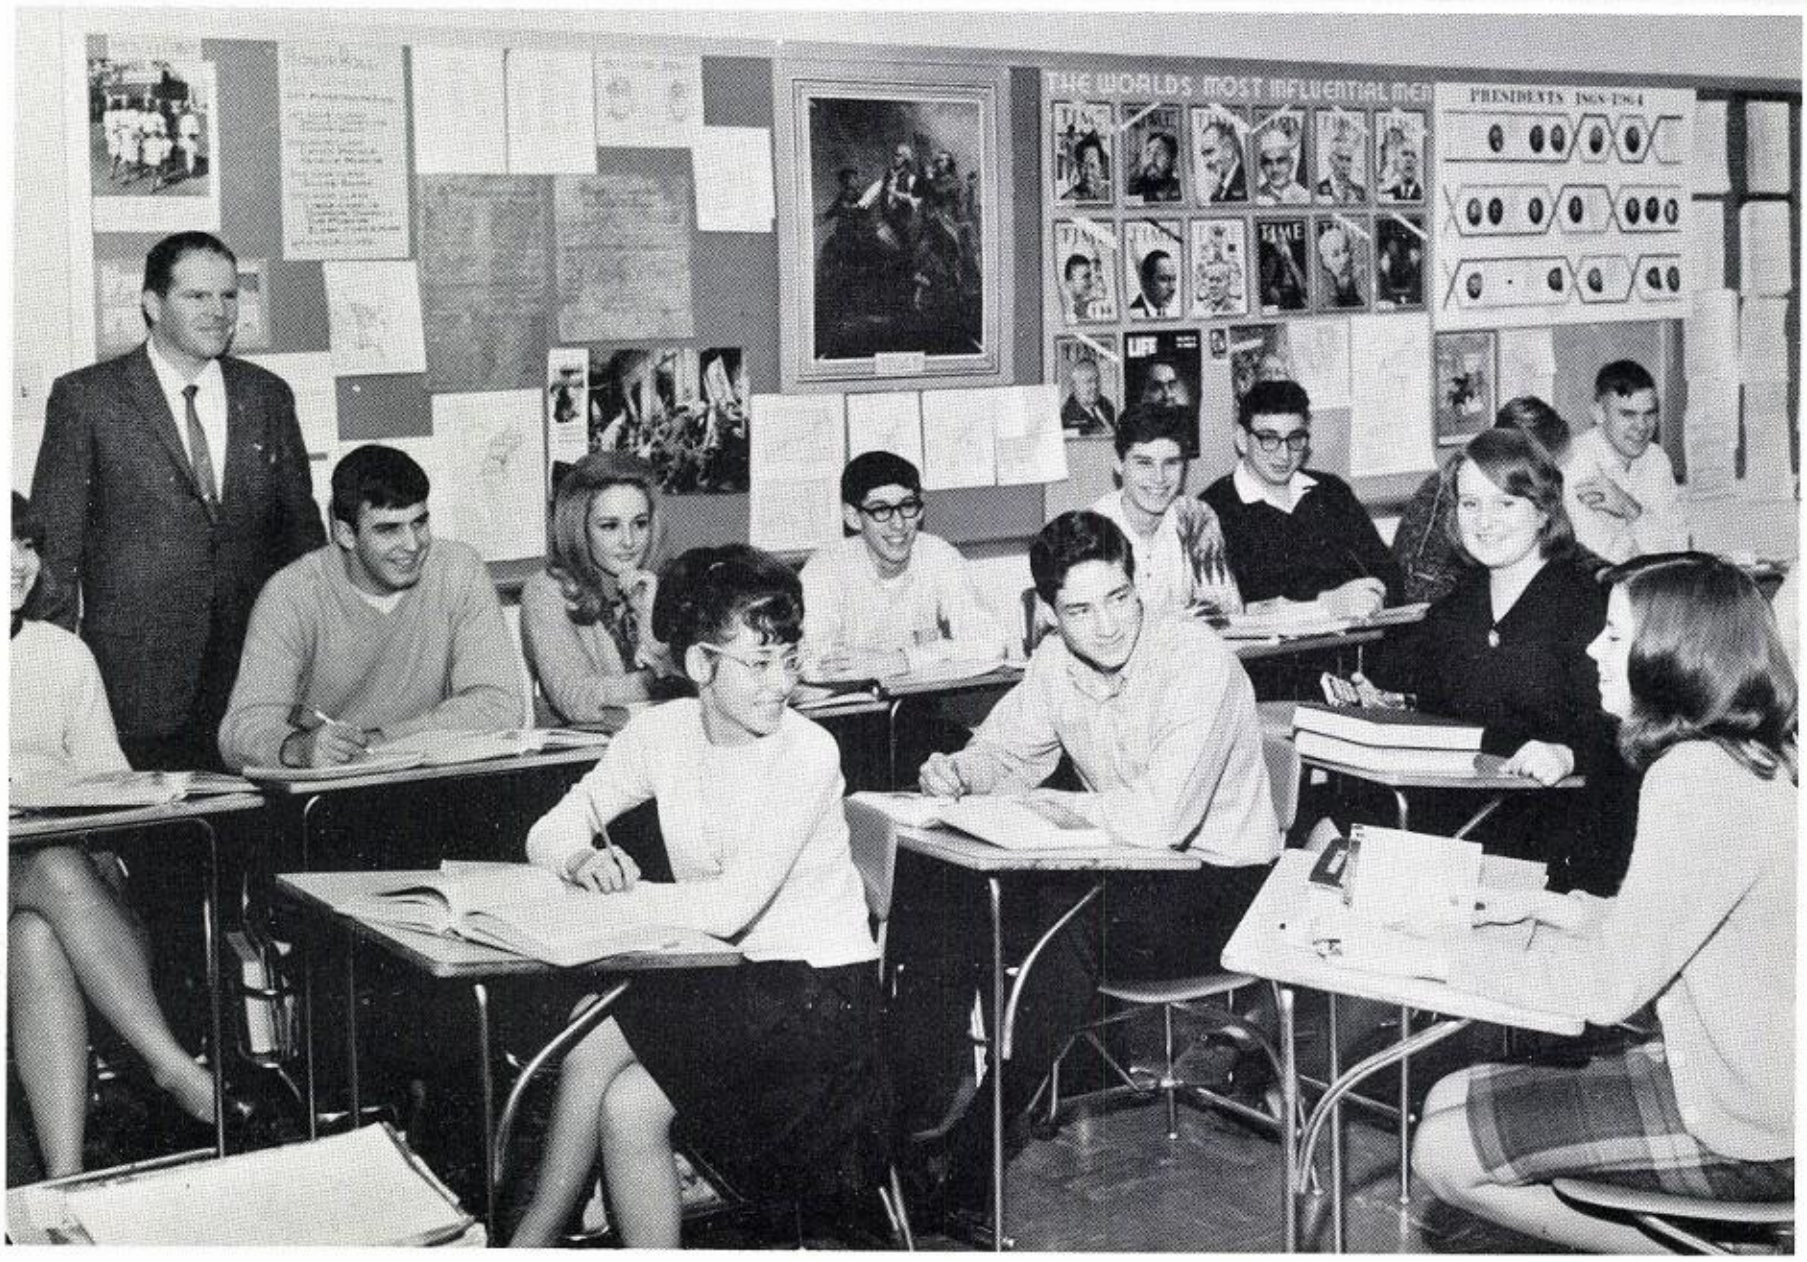
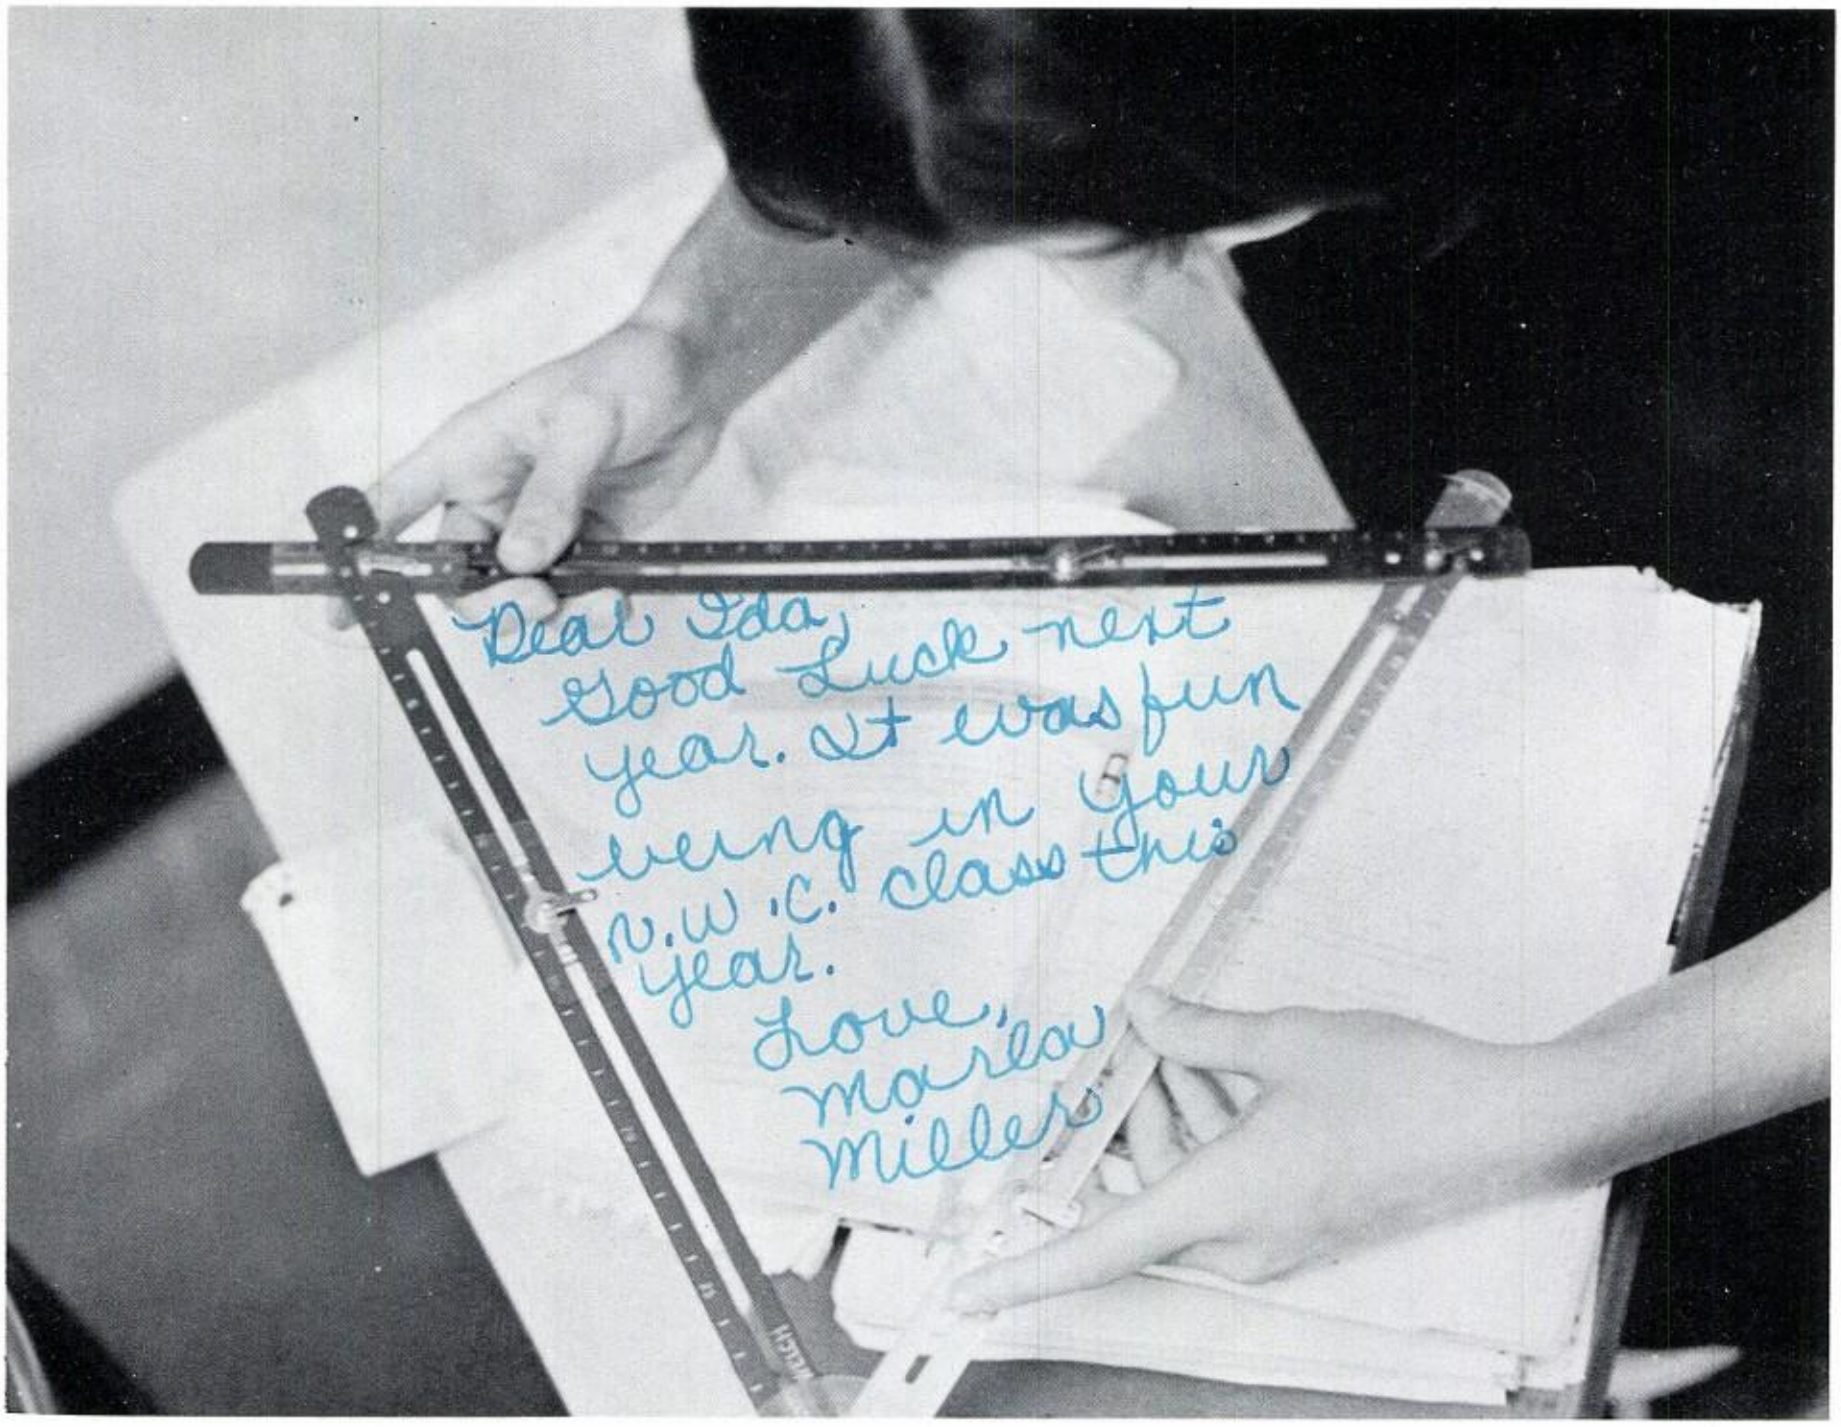
SOCIAL STUDIES

The social studies classes at Niles West are not just a presentation of collected facts, but a penetrating look into the complex higtory of man and civilization. Spirited and lively class discussions give the student the opportunity to express opinions and draw conclusions. They are constantly urged to evaluate and reevaluate that which they have studied. Paperback books have been made available to them so that they might further increase their knowledge in this area of study.

Class discussion is geared toward expressing individual opinion.





S. Chomsky adjusts an angle using a sliding triangle.

MATHEMATICS

The queen of the sciences offers the students of Niles West the importance of precision and reasoning. Niles West was the first school of the three high schools to conduct classes in analytic geometry and calculus. This was done on an experiemental basis for students who had done well in advanced algebra and trigonometry classes. The mathematics programs have been revised in an ever constant effort to present the students with challenging and reliable programs.

K. Luscombe and J. Kantor set up geometric proofs for discussion.

SCIENCE

Future Scientists Publish "Atoms," Probe Into Unkown

The Science Department at Niles West hopes to arouse curiousity, interest, and encourage logical thinking in its students. Through the use of the laboratory facilities, students rediscover facts and learn how to apply them. As scientific progress moves so rapidly, it is a challenge to keep abreast of current discoveries. This year, students exchanged and found ideas in "Atoms," a West students' science publication. The Science and Industrial Arts Departments also combined to design and make "go-carts". The former made the engines, while the latter constructed the frames.

LANGUAGE

Whether it is Cervantes, Camus, Cicero or Goethe, the students of Niles West have the opportunity for extensive study in the area of foreign languages. All foreign languages are on a four year basis and have their roots in a carefully developed program. The program not only offers the student the opportunity to learn to speak the language but also to study other cultures. The students have access to a language laboratory, foreign films, film strips and recorded tapes as well as various foreign language clubs.

FINE ARTS

The Fine Arts program at Niles West does not create just artists and technicians. The product is not as important as the preparation. Instead, it fosters creativity, sensitivity, and greater awareness. This year, due to new equipment, art students were able to create larger and sturdier works in welded steel.

The music department enriched the lives of the entire school community with magnificent concerts and participation in school activities. Stage band, along with female vocalists, worked on new and entertaining arrangements. A constant effort was put forth to bring about talented expression of all students involved in musical pursuits.

INDUSTRIAL ARTS

Drawing boards, pistons, electronics, wood working, or any other major aspect of industrial arts education provides a vast array of challenging courses for the student of Niles West. A new course in combined general science and industrial arts was begun this year. Studies included construction and research in short wave radio sets, Minovac computers, and other apparatus. New and better programs have kept pace to give students every possible opportunity to prepare for the intricate workings and demands of our mechanical age.

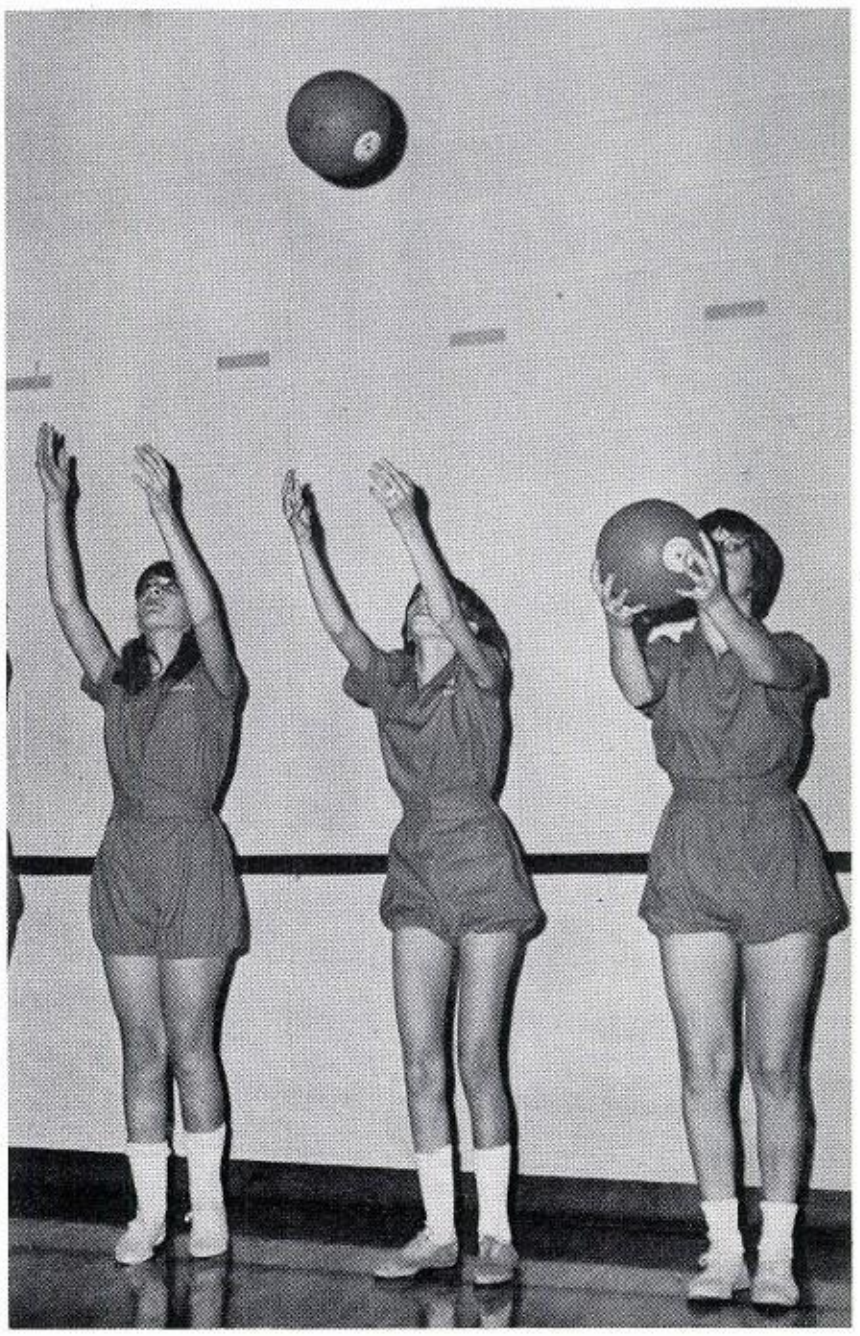
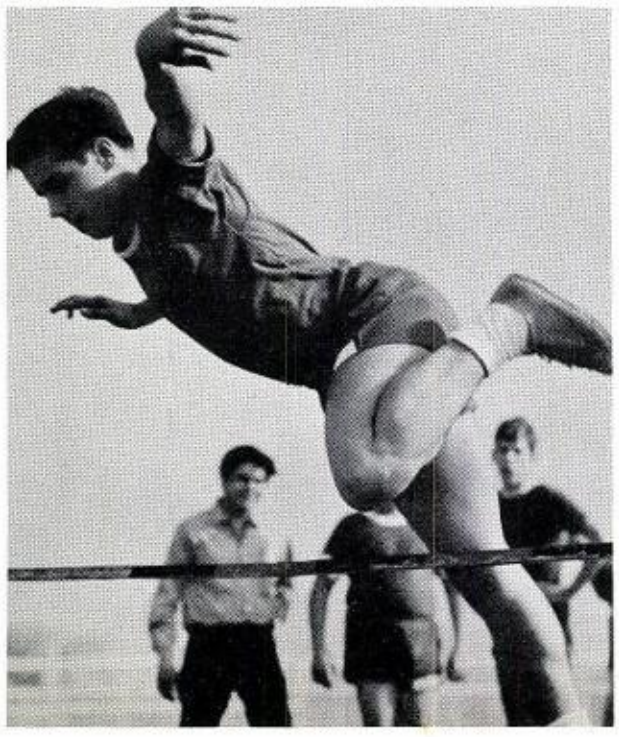
BUSINESS EDUCATION

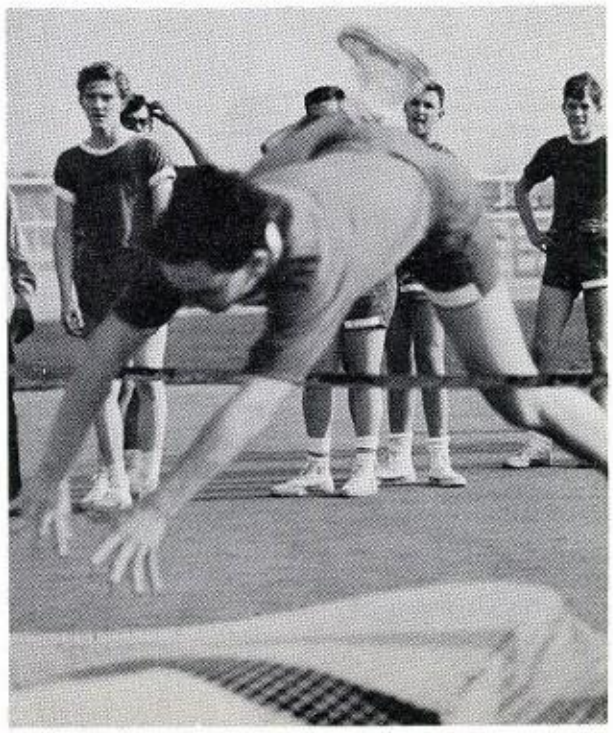
Instruction was revised to coincide with the latest level in automation. All courses are geared toward giving the students a good preparation for future careers in a rapidly changing world.

S. Cooper uses ball gymnastics to develop agility.

PHYSICAL EDUCATION







Emphasis on Fundamental Goals

Students are learning reasons for taking physical education classes. Physical ability is coordinated with mental ability; both will grow when they are given the opportunity to do so. A course such as physiology of exercise emphasizes the benefits derived from activity of various body systems. Juniors, for the first time this year, were exposed to this course and found it most beneficial because they had a background in biology. Slimnastics, a new innovation, was introduced as a collection of individual activities which helped each girl to assess her own physical status and plan exercises accordingly.

J. Netzky, Editor-in-Chief, and C. Baim, Art Editor, decide on the best dimensions for a picture.

Oblique movement toward our goal. Movement sometimes unhurried, sometimes sidetracked into a maze of paper clips, photos, and dummy sheets. Laborious advance and retreat: welcome to the land of confusion, missed schedules--and, sometimes, deadlines met. Goal--a product worthy of the blood, sweat, toil, and typewriter ink expended.

Activities Editor, J. Graham, shows her Assistant Editor, S. Sager, the fundamentals of cropping.

S. Barnow concentrates on the quality of an *Apotheosis* entry.

ATOMS HAS SUCCESSFUL START

Some experiments do not succeed; sometimes the indicator solution does not change color. Other experiments turn out. *Atoms,* the science newspaper; a successful one. Articles that inform, features to entertain, all stapled into a publication fewer than 6.02×10^{23} pages.

Hands rest lightly on the lecturn. Throat cleared, eyes steady. Tension mounts as words and ideas meet in mid-air. Words and ideas meet, do battle. MUSIC ACTIVITIES PROVIDE INSPIRATION

A child's eyes open wide in admiration as the Concert Band strikes up "Lincolnshire Posy" on a grade school tour. Rise and fall and surge of music. Carried on the crest of melody, as on the crest of a wave, to other places, other times. To the Niles West cafeteria and the strutting German Band. To the tinkling refrain of Vivace's "Chim Chim Cheree." To the magic of the Spring and Christmas music festivals. To a program of our award-winning Stage Band. To the cry of Orchestra violins, to the football field and Marching Band, to Mixed Chorus boys and girls learning harmony. Music for everyone, distinct to each--inspiring and rewarding.

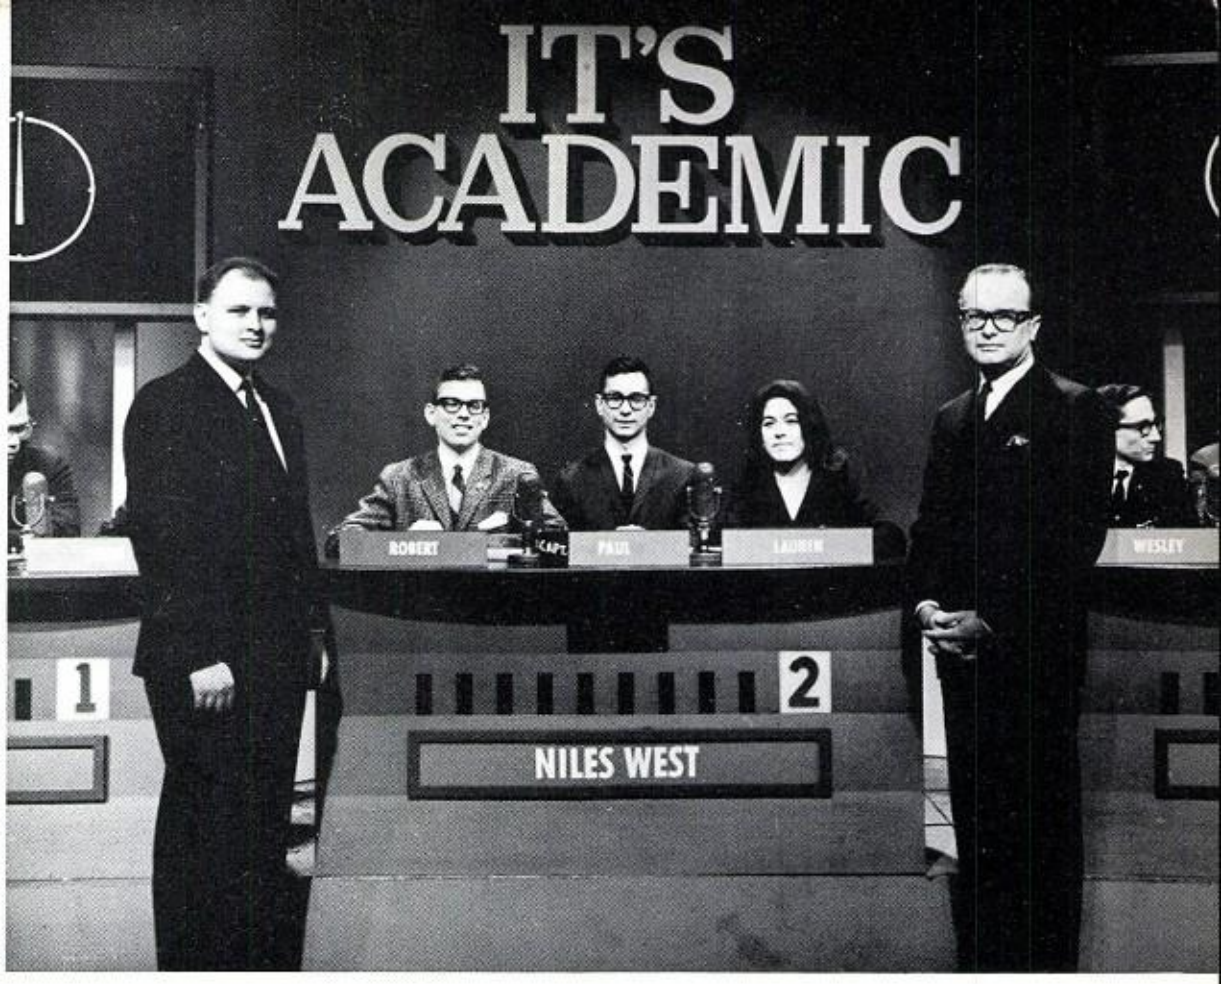
TEAM CAPTURES SECOND PLACE ON ITS ACADEMIC

The contestants waited. Envelopes were opened slowly, buzzers were pushed eagerly, and the hand on the clock revolved rapidly as three schools, Niles West, Rich East, and Lake Park, competed for the "It's Academic" Championship, March 3, on Channel 5. Capturing a "Second Place" for Niles West were team members Lauren Silberman, Paul Gaynon, and Bob Gordon. Prepared to substitute were David Kornbluth, Hank Lerner, and Art Warady. The teams were required to answer quickly and correctly many questions covering a variety of academic and cultural subjects.



Team members R. Gordon, P. Gaynon, and L. Silberman, with Sponsor Mr. Bidol and Host Ed Grennan.

The cheerleaders spur on enthusiastic supporters.

"Batman" Torenko and "Robin" Honnet exclaim, "Holy band-aid!" when caught by R. Katz and M. Brown.

WEST HOSTS TOURNAMENT GAMES.

This year Niles West played host to eight area schools who competed in the regional basketball tournament. The victor of the five day competition was New Trier, scoring the winning point against Evanston in the last exciting second of the game.

The spirit is set for the regional games!

"Circus time! Circus time! Come on, gang, now's the time!" Clowns, acrobats and animals swarmed down the aisles, transforming the Niles West auditorium into a colorful Big Top. So began Pow-Wow "Greasepaint and Laughter" or "If Dreams All Came True". A steering committee of thirteen worked throughout the summer, developing a unifying theme. Stevie, a little boy, ran away to the circus where two clowns, an angel and a devil, tried to influence his decision--whether or not to stay. Acts included bands, acrobatics, ensembles and solos. Between acts "fractured fairy tales" provided even more entertainment. Both evening performances were overwhelmingly successful--all "greasepaint and laughter"!

DAMN YANKEES

March 18 and 19, hushed whispers backstage and the tuning of the orchestra announced the opening of the school musical. Joe Boyd, a middle-aged Senators' fan transformed into athletic Joe Hardy, all for the price of a soul; the devilish Mr. Applegate and accomplice Lola; patient, sympathetic Meg and her two zany friends; and, the ambitious Mr. Welch and his good-natured team! Among roses and greasepaint, the cast celebrated the enthusiastic response of the audience. The curtain closed on *Damn Yankees,* one of the most enthusiastic and sparkling musicals the school has ever presented.

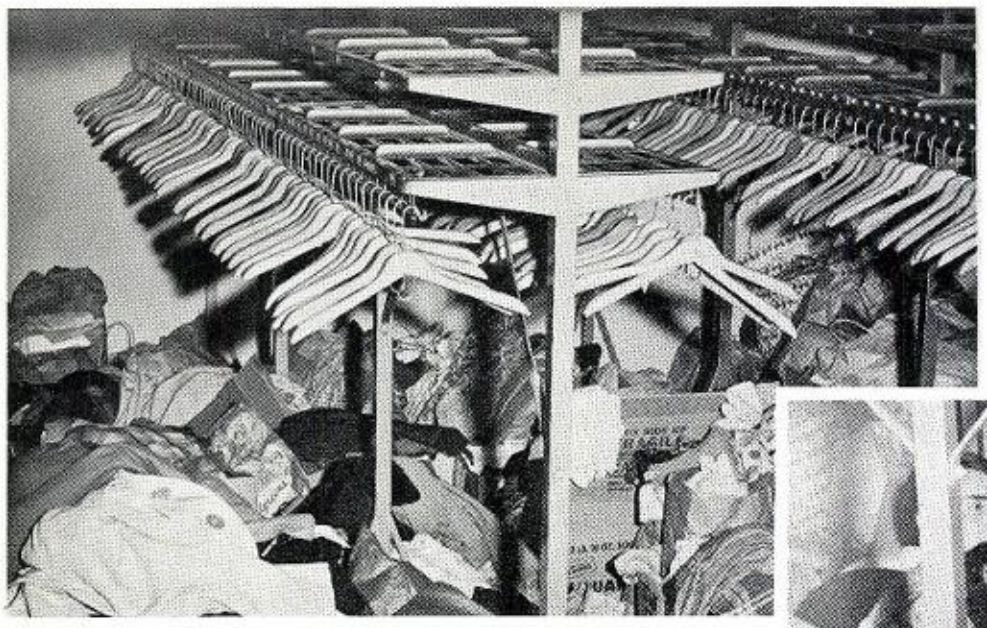
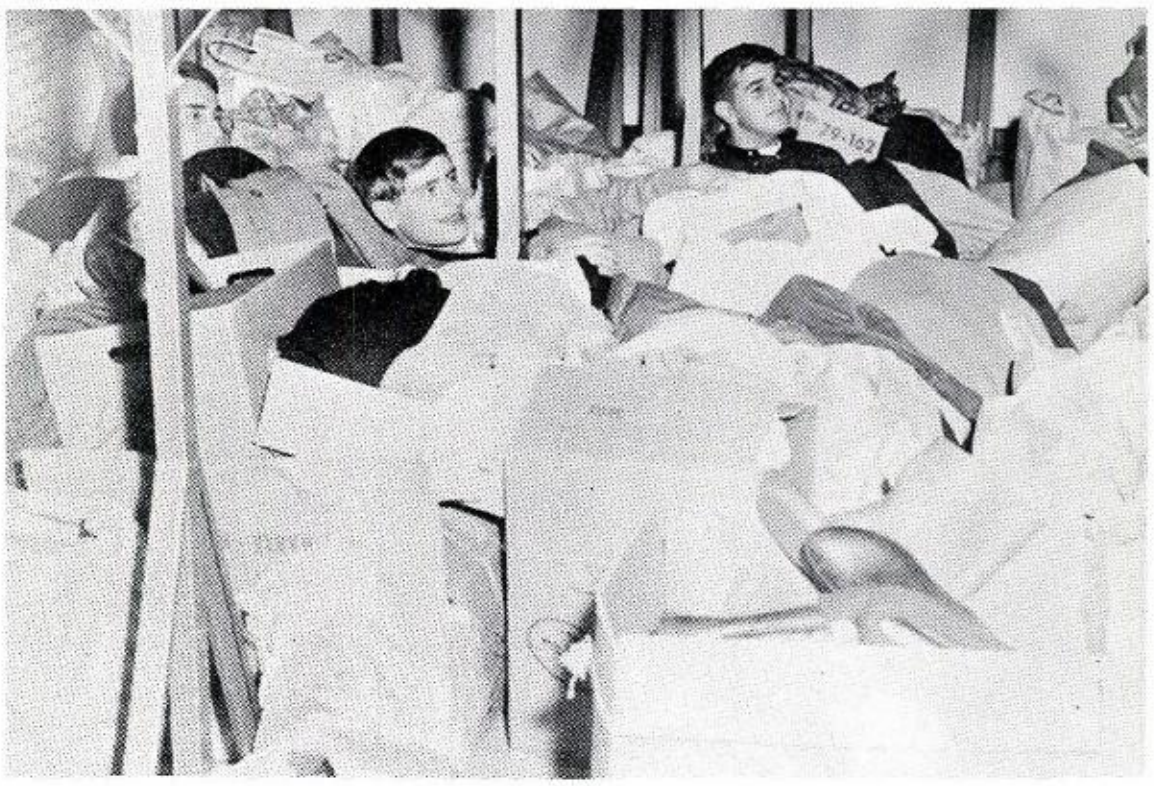
SENIORS VICTORIOUS IN BUNDLES DAY COMPETITION





Stacks and bags of useable old clothes were hauled to school for Student Council's project "Bundles Day". Participation was encouraged by class level competition, which was won by the Seniors. The clothes were sent to the Indian Center in Chicago.

HIGH SCHOOL EXCHANGE PROVES TO BE ENRICHING EXPERIENCE

One of the highlights of Student Council's year was the Harrison High School Exchange. Representatives from Harrison High School, a South-Side Chicago school, came to West to observe classes and meet students. On January 7 the procedure was reversed. Representatives from West's Student Council, including our two foreign students, spent a day at Harrison. The exchange proved very informative and worthwhile.

THE CLASS OF 1966 W ILL REMEMBER. . . .

JENNY . . .

LUIS . . .

Niles West was 'home' for two foreign A.F.S. students this year--Jennifer Bailey of England, and Luis Stern of Chile.

Jenny is from Sutlon Coldfield, "a fairly old, attractive township." There her only contact with Americans was through tourists and films. Like many Europeans, Jenny's impression of American tourists was, "big brash tourists with cigars in their mouths, straw hats, and six cameras slung about their necks." Since her arrival here, Jenny's impressions of America have changed considerably. "I'm impressed by the size, efficiency, and fast pace. She finds Americans to be, "friendly, hospitable, affectionate, fun-loving. It's heartwarming how everyone takes such a genuine interest in my country." Jenny hopes to change the English stereotype, too. "I hate fish and chips, do not stop for 4 o'clock tea, and I've never met the Beatles."

Luis is from Santiago, Chile, "a small Chicago." He too finds that everything here is "big and fast, more bound to a schedule, more competitive. His attitude too has changed. "The stereotype of rich and noisy tourists disappears --instead you see how friendly people can be. There is nothing that I really dislike about America." Luis was especially impressed by a visit to a Negro school, ice-skating (though in Chile he has skis) and his role in the Ugly Man Contest. When he returns to Chile he will complete school and become an engineer and, "if I have the chance, I will come back to America."

Steady, boy.

VARSITY FOOTBALL

Thirty-two varsity team members from Niles West battled every week on the football field to uphold the tradition of team effort and sportsmanship. Success was their goal in that they gained the respect of the conference as an honorable opponent, and finished the season with a 5-3 record.

The coaching staff of Basrak, Schnurr, Henrici, and Lain, combined with a team effort highlighted by outstanding performances by most valuable player Gary Prim and the efforts of Norm Anderson, Terry Thomas, Larry Winkleman, Dan Hirschtick, Jim Stengel, John Lavin, Larry Anderson, and Lyle Killey made the season a winning one.

The season was highlighted by the Homecoming victory over Maine South by the score of 27-7. Another event that made the season worthwhile was the selection of Norm Anderson as Prep Lineman of the Week by the Chicago American.

Mike Gervais gains valuable yardage against Maine South.

The best reocrd in four seasons of junior varsity football was achieved by the 1965 team. With a record of 4-2-2, the junior varsity Indians gained second place in the Central Suburban League.

Most successful efforts of the season were produced against Deerfield and Glenbrook South, who were previously undefeated. Deerfield was trounced by a 19 to 0 score and Glenbrook South was tied 20 to 20 after a 20 to 7 half time deficit.

Outstanding team members playing offense and defense were Jim Carter, Scott Rosenbloom, Jeff Shuman, Bob Anderson, and Tom Wolf.

This fine effort was produced by only 18 boys, which shows the importance of team spirit and effort. Coach Bill Paulson related that the success of the 1965 junior varsity Indians established a precedent for future junior varsity football teams.

Tom Wolf leaps for a pass in a game versus Palatine which was played to a 0-0 tie.

Lack of members created the 1-7 record achieved by the sophomore football team. Coaches John Bush and Dennis Fickes, along with a determined group of individuals fought against the tide of a tough season. Most valuable player, John Niminitch, and team captain, Jim Guenther, receive credit for a season filled with valuable experience.

FRESHMAN FOOTBALL

Freshmen "A" and "B" had a combined record of 8 and 6 in the 1965 season. Coaches J. Fabri, G. Earl, D. Filliman, and J. Armour led 58 freshmen Indians to an outstanding season.

The freshman "A" team was noted for its outstanding defense. In seven contests the young warriors held their oppents to only 27 points. They ended the season with a 6-1 record which gained them the top place in the conference.

Although the freshman "B" team was not as successful in victories their achievements in team effort and sportsmanship were outstanding.

In retrospect, it was a successful season. It was not successful in terms of win-loss records and points scored, for a record of 2-10 cannot in itself be termed a success. However, there is more to life than winning; there is more to success than a box score.

Roger Johnson produced outstanding performances, which constituted him as one of the league's best individual performers. He was voted most valuable player by his teammates.

Frosh-Soph cross country was highlighted by outstanding turnouts and good team effort. Coaches Ron Campbell's and Dan Field's frosh-soph trackmen took a first place in the Central Suburban Conference.

Gary Auld, because of his second place in a conference meet, was voted the most valuable player. Other award winners were Paul Gons, and team captain, Budd Glassberg. The Indians finished the cross country season with a combined 9-4 record.

The 1965-66 Indian Basketball team started very slowly, winning only two of its first fourteen games. With no lettermen returning from last season's fine squad, Coaches Schnurr and Filliman worked with various combinations in an effort to produce a winner. Finally, late in January, the unit of Dan Hirschtick, Bob Nielson, George Timmings, Mike Pepper, Bruce Pindras and Al Chapman began to assert itself. With these six leading the way, Big Red lost only to conference champion Glenbrook South and runner-up Maine South in the remaining seven games. The high point of the season was a thrilling 60-57 overtime victory at Niles North on February 19.

J.V. BASKETBALL

The Junior Varsity basketball team's overall record was eight wins and ten losses. In league play the Indians were even at five victories and give defeats.

Highlights of the season were the 100-49 win over Niles East and the two close victories over Niles North. The team also took three of the last four games, all in league competition. With the experience gained this year, the boys should be well prepared to take on the chores of the varsity team next year.

This has been one of the finest Wrestling teams that Niles West has had in its short history. With a little more depth the team could have done even better. Most of the losses were by very small margins.

The team had six wins and five losses in dual meets, took second place in the Prospect Tournament, missing first place by only one point. We had two individual champions in this eight team tournament, Mark Yohanna and Chuck Friedman.

Barry Gelfand was captain for the team and was also voted most valuable by his teammates.

Both Mark Yohanna and Chuck Friedman took seccone place in the District Meets, and Mark also took a fourth place in the Sectionals held in Evanston.

Four members of our team were picked as all conference and two other boys were honorable mention. The boys who made all conference were: Rich Klyman, 103 lbs., Mark Yohanna, 112 lbs., Barry Gelfand, 120 lbs., and Chuck Friedman, 138 lbs. Honorable mention went to Larry Soldinger, 145 lbs., and Bob Lynch, Hwt.

Buddy Glassberg and John Buettler paced the Junior Varsity Wrestling team to a season marked with experience and helpful training. Coach Schmidt commented that the Indians 1-9 record is not an indication of the effort and drive the boys delivered. The wrestling coaches are looking forward to a rewarding future season.

WRESTLING

Coach Dennis Fickes led his sophomore matmen to a 4-8 season record. Team captain Howard Sosin and Randy Rosen were individual outstanding performers throughout the season. Freshmen wrestlers posted the most successful mat record at 5-5-1. Their unusual enthusiasm for this sport led the coaches to believe that future seasons will be more productive.

Dear Dan,
Too bad you were just in my H.R. this year. Maybe next year we'd be in more together. We've never been that close but I know you're a great kid.
Lots of luck always.
Cindy

Dear Ida,

Everyone loves to be remembered, that's too bad, for you see about one billion people in the world aren't going to be remember. I wonder what the odds are that you will be remembered. Any way be sure to remember all the good things in life.

YOU HAVE GROWN, YOU HAVE CHANGED, YOU HAVE ENJOYED. BUT YOU ARE STILL GROWING, IT IS HARD TO MEASURE YOUR GROWTH. DON'T STOP. LOOK BACK! SEE HOW YOU HAVE GROWN!

Dear Ida
It's been great listenin' to you (expressive) mostly!
Good Luck
Love
Rhonda

Dear Ida
I was part of a eating lunch with you. One day we'll have to hang up on Mr. Blackmore
Best wishes

Dear Ida,
I love to tease you this year being in your gym class. I'll never forget the time you got in trouble talking to Kristy. This year we weren't seated next to each other but I still had fun teasing you. Love ya lots.
Love, Bari '69

To the loudest mouth in our English class,
But as loud as you might be you're still the sweetest, next to Mike, James, Candy, etc
Love
Your Kate (alias) Gail Kalazna

Dear Ida,
I'm so glad we became friendlier this year. You're a great, beautiful girl. Stay that way! Love ya lots.

IDIA, FRESHMAN!!!!
POS. SOPH IN 2 YEARS

Dear Staff Members,

At last the final product is here! All of our days and weeks of preparation have finally developed and come to life. We have been rewarded not only with this tangible book, but through the invaluable experiences we have shared these past ten months. Just as our theme proves that change, growth, and progress takes place without one realizing it, we too, have grown and developed!

There are others who deserve special recognition for the contents of this book. We have greatly appreciated Mr. Manger's genuine interest in the success of SPECTRUM, for he has made the achievement of our goal an easier attainment. Through Miss Stewart's gracious cooperation and assistance many necessary details of SPECTRUM have been proficiently resolved. Directly aiding in SPECTRUM'S development have been the special courtesies extended by the photographers of Root Studios and Mr. Rubak, of the Norman King Publishing Company.

Thank you for all of your hard work. What more satisfaction can we receive than feeling a true part of the spirit of Niles West!

Respectfully,
~~Joanne Netzky~~ Jem

Dear Ida,

I can't say that I just met you this year but it is the first year we got to be friends. I don't really remember our friendship at Hobard but it must of been a doozy since we both were so neat + cute. Well I must say, you've really changed from a good looking jolly polly to a beatyful girl. I hope we continue our friendship cause I like listening to your problems (what problems!) Well Good Luck in everything you deserve only the best

(RESERVED)

Dear Ida,
Where can I begin? There are alot memorys, compliments, and good wishes to express, can it there? I'm afraid that I'm not very original when I say all the many things that everyone else has already said. ~~In the paragraphs that everyone else writes.~~ Such things as "Good luck", "You're Cute", "Glad I met you", etc. Believe me, all these things I mean, too, but I can't begin to tell you that I mean them much more sincerely. It is true we've really gone through a lot together and shared some prized secrets and jokes - I only hope that our friendship can last like this always. You know, mine still never doubled? It seems like everytime we get a chance to, something always turns up. Well at least we'll be going to prom together next year. (Yeah! Sure!) Well, anyway I hope so! But I really hope we'll be in some of the same classes next year so we can drive the teachers batty. Especially our French teachers. Oops I forgot! You won't have any chance be in my class next year but I just might be transferred into yours! (HA, HA) I also hope that next year your interests will be diverted, not only to your studies but perhaps to someone else who is more worthy of you. You've got all the things in which to accomplish this, believe me. I know you're intelligent and very attractive and with that sunny disposition of yours it shouldn't be very hard. So I'll sign off looking forward to another year as your best friend and hoping it will always remain so. Also I have to wish you a successful future? I'm sure it's in store for you.

Love forever and ever,
Judi
